

Errios — Design Brief

Hey Leonid! This short form helps me understand your visual preferences before I start designing. No technical questions — just about the look, feel, and direction you want. Takes about 5 minutes.

* Indicates required question

Visual references

1. Share 2–3 websites you like the look of (any industry) *
Paste URLs — and if possible, note what you like about each one

2. Any websites you definitely don't want yours to look like?
Competitors, or just styles that feel wrong for Errios

Look & feel

3. How would you describe the overall vibe you want? *

Mark only one oval.

- ☐ Clean & minimal — lots of white space, simple
- ☐ Bold & modern — strong visuals, confident
- ☐ Corporate & trustworthy — professional, enterprise feel
- ☐ Friendly & approachable — warm, not too formal
- ☐ Other:

4. How should a visitor feel when they land on the site? *

Mark only one oval.

- ☐ "This looks serious and reliable"
- ☐ "This is modern and smart"
- ☐ "This is exactly what I need"
- ☐ "This is simple — I get it immediately"
- ☐ Other:

Colors

5. Are there any colors you definitely want to use?

Can be a hex code, a brand color, or just a description like "dark navy + white"

6. Any colors you want to avoid?

Logo direction

7. For the logo redesign — what direction feels right? *

Mark only one oval.

- ☐ Keep the same icon, just update colors/font
- ☐ Completely new icon + wordmark
- ☐ Wordmark only (text-based logo, no icon)
- ☐ Not sure — open to your suggestion

8. Any logos you love as reference? (any company)

Paste names or URLs

Anything else

9. Is there anything specific you want on the homepage that I should know?

e.g. a specific section, a key message, something from a competitor
